

NIKE

Nike World Campus Headquarters

1990 & 2002

Working with Landscape Architects Linda Royer and Dave Walters of OTAK; Cascadian installed the original landscape at the Nike World Campus Headquarters in Beaverton, OR, in 1989-1990. Cascadian understands Nike's commitment to excellence and the desire to achieve high quality results.

Headquarters Phase 1

- Construction of Running Trail around Campus.
- Irrigation
- Planting

Nike Air Hangar

- Project completed under the direction of Steve Shapiro, Landscape Architect.
- Large trees & shrubs were planted to create an instant affect.

Joe Paterno Child Development Center

- Landscaping included the building of the play structures.
